

# HOLIDAY CHECK POINT

*Pack Your Peace of Mind*

*Making the decision to go away on that well deserved holiday or weekend getaway and leaving a loved one behind can be extremely difficult for many family members.*

*Knowing that someone will be there to help and care in your absence, however, will provide you with the peace of mind to enjoy every moment of your trip, knowing that your loved one is being looked after by their very own Comfort Keeper Caregiver.*

## About the Package

This package has been designed to provide additional care and peace of mind for families with ageing parents. The package can be tailored to suit the specific needs of each individual.

## Your Comfort Keeper will be

- A Friendly Voice - with morning and evening phone calls to ensure everything is OK
- A Visitor - to check on your loved one's well-being, home and garden
- A Companion - to share a cup of tea, a garden walk or to simply have a chat
- A Reminder Service - for medications and appointments
- A Transport Resource - for grocery items and daily errands
- A Feedback Service - to send a daily SMS/Email and/or phone call update to family

## How it Works

Following a free in-home assessment, a personal 'Holiday Check Point' care plan will be prepared. Your Comfort Keeper will then arrange a suitable time to commence the service. A regular feedback system and continuous improvement process will also be implemented to support the package.

## Our Interactive Care Model

Comfort Keepers adopts and encourages a model of Interactive Care, which focuses on a person's ability to perform their activities of daily living (ADL) with proactive assistance and encouragement from their caregiver, rather than total dependence and reliance for all day-to-day activities.

## About Our Caregivers

Each Comfort Keeper is carefully selected, screened and trained to provide the best service possible. From extensive background checks to ongoing training, we strive to offer the very best Comfort Keeper for any specific situation. Comfort Keepers' Caregivers are police and credit checked, insured and covered by Workers' Compensation.

- Gift Vouchers Available

## BOOK TODAY!

Simply contact the Comfort Keepers Team via:

PHONE	(08) 9492 8920 North
